

## WHO WE ARE

---

With over fifteen years of experience and motivated by the enthusiasm of a young and dynamic company, we share the happiest and most important moments of those who trust us. Contact Banqueting is catering, preparation and organization. We take care of every aspect of your event to make it a unique sensory experience. We tastefully choose the dishes and specialties of the cuisine of Italian gastronomy and international culinary traditions. With a careful look we select the best locations in our area. We anticipate the most refined and modern trends. With experience we listen to the needs of those we serve. With tact we offer each customer the ideal solution. We have invested heavily in corporate banqueting. Gala dinners, business lunches, brunches, buffets are events of a professional path to be taken care of in every detail. So that your customers can remember the seriousness and hospitality of your company, we set up spaces and locations for small and large events, we transform the rooms of your office into the ideal environment for networking, we offer reasoned menus for intense working days.

## MISSION

---

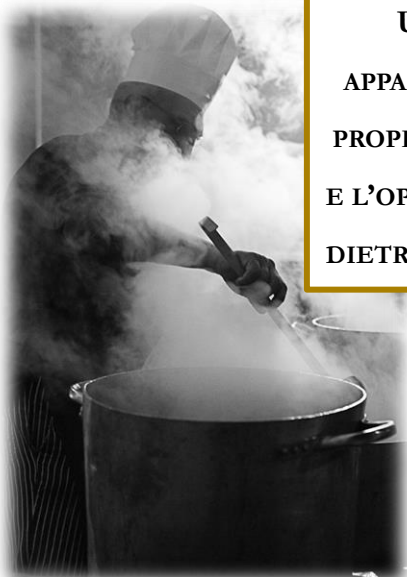

For us, receiving has always been a pleasure

We never tire of listening to the needs of our customers to whom we make all our professionalism available for the organization of their event

The daily comparison of the various departments (the sales office, the logistics division, the cooking laboratory) ensures that each reception is analyzed in individual details

The experience of our team is able to offer the most refined and original menus, evaluating the best atmosphere and the ideal style for all convivial moments
